--------------	--

FRENCH COURSES

Communicative learner-centered approach based on authentic documents.
Access to multimedia language labs for individual instruction (1 session per day).

Active learning strategies:

- Role plays, debates,
- Pair + group work filmed for critical analysis.

CREATIVE WORKSHOPS

Children learn French in a fun and creative environment.

Multimedia projects : learn the basics of photography and make a film.

Music and singing : music is a universal language, sing and create a « Lip Dub »!

Drama : create mini plays and become an actor for a few days in Royan.

Board games : develop cognitive skills, strategic thinking and intercultural communication.

SPORTS ACTIVITIES

Sports activities, offered in collaboration with accredited sports clubs in Royan, are the ideal way to end the day in both an energetic and relaxing way.

Sports for everyone : - on the beach : beach-volley, kitesurf initiation, soccer, badminton, swimming (lifeguarded beach).
- in the forest : mountain biking, laser games, treasure hunts
- water sports : kayaking, sailing, stand up paddleboarding
- cross cultural teamwork.

Surfing : wave and paddleboarding or indoboard.

Sailing : activity provided by the sailing club team of Royan, Les Régates.
